

3km single-mode optical cable with 24 cores

Overview

High-quality SC-SC single-mode (mono-mode) Loose Tube installation outdoor cable for laying in a tube above- or underground. Black multi-purpose cable with twentyfour cores, rodent protection and pulling aid on both ends. Armored, burial, and ruggedized designs are suited to a host of industrial environments. For each product design, items for OM1, OM3, OM4, OM5, and OS2 (Singlemode) items have been. The Optronics fibre optic cable range includes simplex, duplex and flat ribbon patchcords, tight buffered, single loose tube and multi-loose tube distribution cables for internal and external applications as well as many variations of armoured, aerial, rodent resistant and water blocked cables. HES 24 Core, Single Tube, Steel Armored, Single Jacketed Fiber Optic Cable SM 9/125 μ Single Mode HES Brand Fiber Optic Cables HES brand fiber optic cables are designed with high performance and reliability, especially focusing on single mode fiber technology to meet long-distance transmission. Necero always commits itself to the provision of the most advanced ultra-high-speed optical fiber network service for Chinese customers at competitive pricing, and meanwhile, cultivate top-ranking talents and grows up together with China.

3km single-mode optical cable with 24 cores

24 core single mode fiber optic cable

The 24 Core Singlemode Fiber Optic Cable is an excellent choice for organizations looking to enhance their communication infrastructure, providing a robust, high
