

4050 Distribution Box Sample

Overview

Download free Revit families and CAD files for the MD4050 from ABB on MEPcontent. Our reference designs and integrated circuits enable innovation on performance and size, weight and power (SWaP) reduction in IFE monitors and other peripherals. An enclosure which includes mounts, and protects such items as switches, circuit breakers, jacks, fuseholders, connectors, terminals and/or terminal boards, resistors, capacitors, transformers, and the like.
