100G to 1.6T Optical Module PHY Product Selection Guide

Broadcom's Active Copper PHY portfolio enables DAC cable providers to build very low insertion-loss profile, ultra-low latency, ultra-low power cables for 100G/400G/800G/1.6T hyperscale/AI networks

Optical link module (standard version)

These operating instructions support you when commissioning PROFIBUS OLM devices (Optical Link Modules). These Operating Instructions are intended for personnel involved in the commissioning of
