## Global Situation of Small Modular Reactor Development and Deployment

Also, in November 2020, Synthos Green Energy, an affiliated company of Synthos SA, signed a cooperation agreement with Ultra Safe Nuclear Corporation to assess the feasibility of the Micro

[Contact Us](#)

## Accelerating safe small modular reactor development in Southeast Asia

With the goal of rapid industrialisation and urbanisation, ASEAN needs to evaluate the competitive low-carbon alternatives with SMRs included in the national or micro-level grids.
