

# American Fiber Optic Connectors

## Overview

---

AFL - Fiber optic cable, transmission and substation accessories, outside plant equipment, connectors, fusion splicers, test and inspection equipment. State-of-the-art connector with unmatched density, simple insertion/extraction, and field configurability. With 30 years of fiber optic experience and a continually expanding network of distributor partners and local rep firms, OPTIX America is a leading manufacturer of fiber optic products and solutions to the marketplace. Our commitment to creating best-in-class products, from custom FTTx solutions to a comprehensive range of fiber optic accessories, ensures we cater to all your.
