

Argentine power distribution box switch model

Overview

ARGENTINA 10A-250V IRAM 2073 TYPE I (AR1-10R) 8 OUTLET PDU POWER STRIP, "19" HORIZONTAL RACK MOUNT, (1U SIZE), D. Argentina power strips and PDU power distribution units for surface mount, rack mount and general purpose applications. Feature highlights: The High Efficiency Automatic Transfer Switch (ATS) Control Cabinet features a modular design with superior electrical performance, ensuring stable operation and low power losses. These companies are renowned for their expertise, high standards, and innovation, meeting local and international demands for electric smart switches and wall sockets. Q1: Are you manufacturer of trading company?

A1: We are a manufacturer in Zhejiang, China. Q2: When can we get the reply?

A2: Any inquiries will be replied within 24 hours, but holidays are excepted.
