

Bangladesh thermal aisle 19 inches

Overview

Standard 19-inch Design: Fits standard server racks for efficient data center layout. (ATEL) is actively involved in industrial insulation, making it a key player in the HVAC and refrigeration sector. Cold Aisle Containment is designed to meet the demand of high power density & low PUE in data center, cold aisle containment with rows of cabinets prevents cold supply air from the CRAC units from mixing with hot exhaust air.
