

CE certified high-speed optical connection 40G

CE certified high-speed optical connection 40G

High-Speed Optical Transceivers , 1G/10G/25G/40G/100G

Explore our range of high-speed optical transceivers, offering efficient data transmission for 1G, 10G, 25G, 40G, and 100G networks. Customized

40G QSFP+ Active Optical Cables , AscentOptics

The 40G QSFP+ AOC uses COB technology and assembled with 40G optical engine for lower cost and power consumption. It is an ideal optical interconnect solution for large data centers, cloud

[Contact Us](#)

40G-AOC-QSFP-1

Our 40G QSFP+ active optical cable is CE/RoHS certified and compliant with product safety standards. Because our focus is providing top quality service, we perform comprehensive quality checks before

[Contact Us](#)

40G QSFP+ Active Optical Cable

Designed for high-speed, low-latency interconnects in data centers, it supports full-duplex 40-gigabit Ethernet connectivity with efficient power usage and superior flexibility.
