

Cable tray construction at a steel plant in Kenya

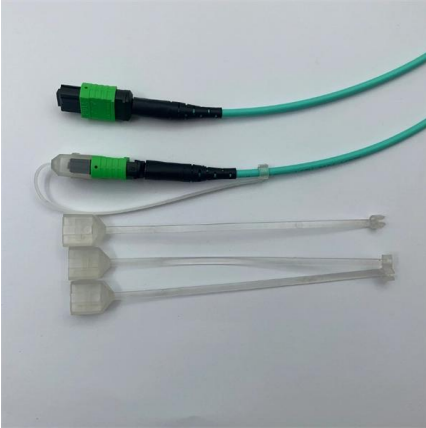

Overview

Manufacturers produce galvanized cable tray units using high-quality steel materials. Our cable trays are designed to support and organize your cables efficiently, ensuring safety and ease of maintenance. Therefore, developers rely on these systems in commercial and industrial buildings. After being incorporated in 1986, SUPER STEEL INDUSTRIES changed its name to SUPER CABLE TRAY PVT. Being one of the top players in Cable Tray Manufacturing in Kenya, though we are based in Delhi, we provide sturdy and simple-to-install cable trays.
