

Cable tray wires and cables

Overview

Learn about ladder, perforated, solid-bottom, wire mesh, and channel trays in this complete guide. Are you looking for high-quality Cable Trays for improved cable management and organisation?

Look no further than our extensive range, featuring top brands such as our very own RS PRO, Cablofil International, Legrand, and StarTech. ABB designs and manufactures cable tray systems, including perforated tray, cable ladder, channel tray and strut (metal framing), directly from production facilities in Canada and Saudi Arabia. They are typically made of metal, such as steel or aluminum, and are designed to provide a safe and efficient way to route and protect.
