

# Cable tray with socket holes

## Overview

---

It provides enough storage space for all types of cables, adapters and multiple sockets. The cable tray can be suspended from one side so that it can be hooked into two of the four brackets - hangs down at an angle to the side. The Hexcal Under-Desk Cable Management Tray is an architectural-grade solution engineered for high-performance setups. Crafted from cold-rolled steel, it doesn't just hide wires—it protects your hardware, ensures thermal safety, and creates a 'zero-cable' aesthetic for the modern minimalist. Clear cable routing - Organized and safe cable management, easy maintenance, helps prevent failures. Are you looking for high-quality Cable Trays for improved cable management and organisation?

Look no further than our extensive range, featuring top brands such as our very own RS PRO, Cablofil International, Legrand, and StarTech.
