

Central Asia Five Countries Optical Cable Junction Box 8 Cores

Overview

The FS/WLA-SC8 we provide is a kind of high quality, micro sized optical fiber termination box made of quality cold-rolled steel sheet and undergoes static plastic spraying treatment, which can be used to mount SC adapter, the box can be installed on the indoor wall and. 8-Core Optical Distribution Box's Windowed Design for Easy Fiber Maintenance The 8-core fiber distribution box features a windowed design, suitable for installers performing fiber maintenance without removing the entire box cover. The fiber splicing, splitting, distribution can be done in this box, and meanwhile it provides solid protection and management for the FTTx network. is a high technology company having its own brand "CSYHT" and specializing in R&D, manufacture and sales of fiber optic products. Telephone cable, Fiber Optic Cable, Patch Cord Cable, VGA cable, Lan cable UTP/FTP/S-FTP Category 5E & Category. It is used as a termination point for the feeder cable to connect with drop cable in FTTx network system.

Central Asia Five Countries Optical Cable Junction Box 8 Cores

8 Cores Wall Mounted Fiber Optic Terminal Box As

It is available for the distribution and terminal connection of various kinds of optical fiber system. These units are available in sizes that fit the most common distribution requirements.
