The MTP standard is the future

MTP Standard: How and Why? What MTP Can Do For You Simplifying and Addressing The Needs of A Vessel What Are The Next Steps For The Future? Adoption of MTP by the oil and gas industry is close, but it truly does take a long time to establish an industry-wide standard. Through the collective effort of NAMUR, industry vendors and OEM partners, MTP could be finalized as early as 2023. Proprietary systems have been the norm for FPSO operators, and vendors face the potential of an automatic See more on [rockwellautomation](#) [siemens-info](#)
