

Czech KVM Switch Manufacturer

Overview

KVM Europe has been established in 2012 in Czech Republic with the target of manufacturing MV/LV Switchgears under license of SIEMENS Germany. ATEN is a leading designer, manufacturer, and distributor of cutting edge connectivity solutions for the IT industry and its computer users. Dedicated to our mission of We are pleased to present you our KVM Extender and Switching Systems, which are developed and produced in Europe, more precisely in Austria. The core of the product portfolio consists of contactors, overload and timing relays, cam switches, motor starters and plastic and metal parts. MicLIVE™, the industry's first AI-optimized audio mixer, simplifies your podcast production.
