

DS610S Fiber Optic Switch

Overview

The Lenovo ThinkSystem DB610S features up to 24 Fibre Channel (FC) ports in a low-cost, efficiently designed 1U form factor, delivering industry-leading Gen 6 FC technology. This entry-level, enterprise-class switch offers "pay-as-you-grow" scalability with Ports on Demand (PoD). The Lenovo ThinkSystem DB610S 32Gb FC SAN Switch provides exceptional price/performance value by delivering market-leading 32 Gb Gen 6 Fibre Channel technology and combining flexibility, simplicity, and enterprise-class functionality to meet the demands of growing flash-based storage environments. The DB610S FC SAN Switch offers 24x SFP+ ports that support 4/8/16/32 Gbps speeds. This manual provides essential information for the installation, operation, and maintenance of the Lenovo DB610S Fibre Channel Switch.
