

# Distribution Box PE203

## Overview

---

The PE203 model of the Supertronic Boxelec series is a waterproof, robust and versatile plastic box, perfect for various electrical and electronic applications that need protection against water and dust. These Distribution Boxes enable decentralized installation of the electronics close to the load. Coupling mounting plate with fixing ears, suitable for both screw and ejection mounting. PCE specialises in the production of CEE industrial plugs and sockets, earthing contact plugs and sockets and supplies a complete range of rubber, metal and plastic distribution boxes.
