

Duct fixing cable tray

Overview

Cut, bend, and connect the wire mesh trays to route cable and hose in configurations such as curves, slopes, and tees. They are a lightweight option for organizing bundles of cable and hose while keeping them accessible. We specialise in providing the perfect cable management solutions for every project, large or small, using our in-house design and manufacturing capabilities. maintain spacing or to keep cables in place when the tray is ect the minimum bend ra-dius for cables as they exit the bottom of the cable tray. Our experienced teams and operations are present across the Middle-East North Africa regions (MENA) and Pakistan, giving us.
