Overview

Here are six brands that are great in 2025: Schneider Electric uses smart technology for better control. These Distribution Boxes enable decentralized installation of the electronics close to the load. The GS1 SMART-Box is a container system that effectively replaces traditional transport packaging made of corrugated cardboard, plastic, or paper, typically used in industry and trade. This service enhances the comfort of visitors to cities and tourist areas and allows them to go sightseeing in a comfortable way, without worrying about their luggage. These industry veterans from Germany blend precision engineering with rugged durability. We offer a wide range of street cabinets, as well as indoor and outdoor distribution boxes. What do you need?
