

# Fiber Optic Communication Manufacturing Industry

## Overview

---

This industry manufactures fibre-optic cables that are used to transmit data, images and sound. Headquartered in Föriztal, Germany, WEINERT Industries AG is a significant player in the fiber optics market, offering a comprehensive range of products from ultrapure fused silica to complete fiber optic systems. The company is recognized for its commitment to photonics, a core technology that. EMC-immune, maintenance-friendly and according to DIN EN 60715 for TH35 mounting. Modular Backbone Splice Systems High-capacity 19" rack systems for central fiber optic distributions. With the global fiber optic market reaching \$6 billion and growing at 10% annually, the need for high-quality manufacturing solutions has never been greater.
