

Fiber Optic Hot Stripper Quick Fiber Stripper

Overview

This battery-powered, handheld stripper features an integral heating element that enables it to soften and strip optical fiber coating quickly and easily with little to no effort by the user. The Precision Strip requires less than a pound of peak force for stripping coated fiber. We offer thermal strippers from Sumitomo, INNO Instrument, Fitel and Jonard Industries. 500 times with a full charged battery by simple operation Size and Weight The FiberFox HS-12 newly developed hand-held thermal stripper is rugged and.

Fiber Optic Hot Stripper Quick Fiber Stripper

Fitel S218A Optical Fiber Thermal Stripper : Fiber-Online

When you need a cordless, light-weight, quick-strip solution, the S218 optical fiber stripper efficiently solves your problems. This hot-stripping tool removes the coating of single fiber
