

# **Fiber optic patch cords come in twelve colors**

## Overview

---

The standard mandates a 12-color sequence for the fiber coating, which is repeated when the cable contains more than 12 fibers. WolonFiber's 12-Color Fiber Optic Pigtail Packs are manufactured strictly to the TIA-598-C standard with vibrant, easy-to-identify colors. Fiber Optic Color Code Explained Written by Ben Hamlitsch, trueCABLE Technical and Product Innovation Manager RCDD, FOI We are surrounded by colors.

## Fiber optic patch cords come in twelve colors

---

### SOPTO

Fiber optic patch cords, also known as fiber optic patch cables or fiber jumpers, are indispensable components in modern optical networks. They act as the critical link for
