

Guanghe Technology 25G Optical Module

Guanghe Technology 25G Optical Module

2. Imported design is convenient for expansion.

The design of two inlets saves space and allows for rear line entry.

25G Optical Interface Module, 40KM, Dual LC, High

This 25G optical module offers a 40KM range with dual LC connectors and nano-contact technology for enhanced performance.

25G Optical Module Market Size & Forecast Report, 2034

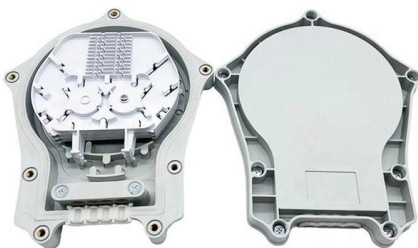

Major opportunities include expanding use of 25G optical modules across BFSI, healthcare, and retail sectors, strong growth potential in emerging Asia-Pacific telecom markets, and

25G Optical Module Market Size And Projection

This article explores the significance of the 25G Optical Module market, its role in enabling future-proof connectivity, and why it presents a promising investment opportunity.
