

FRINDEL OPTICS

Handheld Spectrometer Manufacturer Quotation

- **Fine workmanship**
- **High-quality chip**

Overview

Find, compare, and request a quote for portable spectrometers across leading suppliers at Labcompare; including access to product citations, related published figures, and first-hand reviews from our scientific community. Portable handheld XRF analyzer for rapid, non-destructive elemental and alloy identification across field and industrial environments. Download Datasheet Request Quote Download Datasheet Request Quote Download Datasheet Request Quote -25 dB max. Their expertise in optical emission and X-ray fluorescence spectrometry positions them as a key player in. Perfect for applications like field analysis of samples, identifying raw materials, and forensic analysis, these versatile instruments offer analysis capabilities similar to benchtop models. Check current spectrometer industry trends and review top factory direct options—contact.

Handheld Spectrometer Manufacturer Quotation

Handheld spectrometer

Find your handheld spectrometer easily amongst the 44 products from the leading brands (Bruker, Thermo Fisher, EVIDENT,) on DirectIndustry, the industry specialist for your professional purchases.
