

How many years is the warranty for H3C core switches

Overview

3-Year warranty for enterprise hardware, including advanced RMA, diagnostics, spare parts support, and OEM service compatibility. Home Support Policy Service and Warranty Warranty Service Update on Jan 20th 2026 The warranty information in this Enterprise Product Limited Warranties ("Warranty Policy") is H3C general warranty policies. The H3C S7503X, part of the H3C S7500X switch series, is designed for next-generation enterprise core networks. H3C ICT Product Support Services offers H3Care CT foundation service and H3Care IT Foundation service that perform continuous and reliable maintenance services based on the Service Level Agreements (SLAs) you choose. H3C warrants for software and hardware for a period of certain days from the Starting Date. If the software does not comply with the functional standards mentioned in the product instructions, or the software media incurs problems in material.
