

How much do fiber strippers cost

Overview

Fiber strippers range widely in price based on functionality and build quality: Entry-Level (\$15-\$40): Basic manual strippers with limited adjustability; suitable for infrequent use. Mid-Tier (\$40-\$80): Triple-mode models from known brands; good balance of precision and durability. We stock a large selection of Fibre Optic Strippers, including new and most popular products from the world's top manufacturers including: Tempo, Miller, Jonard Tools, Trend Networks & Phoenix Contact Buy Fibre Optic Strippers. Automatic fiber stripping units for window stripping and end stripping - no cleaning or stripping chemicals required. What fibre stripper tool to buy on a budget?

I'm looking for a fiber stripper tool that won't break the bank. With some fibers priced in hundreds of euros per meter, the length of cutoff scrap must be minimized.
