

# How much does a professional high and low voltage distribution box cost

**Integrated Aluminum Alloy  
Die Casting**

**Durable and Secure Metal Screws**

## Overview

---

The market price is usually between \$10 and \$25, making it a relatively affordable choice. On the Amazon platform, steel distribution boxes are typically used in industrial settings and are priced around \$40, which is relatively high. At NKD Group, we design and manufacture bespoke High Voltage (HV) and Low Voltage (LV) Link Boxes tailored to your project needs. From initial consultation to full design and build, we offer a complete in-house solution that ensures quality, reliability, and performance. EWJ are a professional metal enclosure manufacturer providing electrical enclosures, aluminum enclosures, stainless steel junction boxes, and IP65 outdoor enclosure solutions.
