

# Huawei S100 optical switch

## Overview

---

The Huawei S100-16T2S is a high-performance network switch designed for scalability and reliability in small to medium-sized enterprise networks. (Video) [Network Encyclopedia] What Is Stacking?

S100&S200&S300&S500&S600 Series S100&S200&S300&S500&S600&S700: Access product manuals, HedEx documents, product images and visio stencils. S100 Switch Switches: Access product troubleshooting, FAQ, issues, and solutions. The method used to install a copper transceiver module is the same, except that the copper transceiver module connects to a network cable instead of optical fibers.
