

# Huijue Fiber Optic Switch Default IP

## Overview

---

com/enterprise/en/doc/EDOC1000047411/82a7746e/logging-in-to-a-device-for-the-first-time?

idPath=24030814|259023469|259023623|259590359 Give this a look as wellFactory IP address should be 192. 0 Delivery of solutions fulfilling the Customers' multitude oThe Fiberbox is an outdoor switch with five SFP ports, ideal for locations where distance is restricting the use of regular ethernet cables. The device is weatherproof and comes with a hose clamp and zip ties, ready to be installed on high masts and towers. Each physical chassis has one common IP address that is shared by all of the logical switches in the chassis. Huijue Net integrates prefabricated buildings and intelligent modular data center technologies.
