

Integrated Fiber Optic Adapter

Overview

Simplex, duplex, and hybrid adapters for LC, SC, FC, and ST — precision ceramic and bronze sleeve options. A fiber optic adapter — also known as a coupling or mating sleeve — is the passive device that aligns two connectors inside a patch panel, wall plate, or distribution box. , two fiber connectors) such that light can reliably pass from one to the other with minimal insertion loss and maximum return loss. We stock a large selection of Fibre Optic Adapters, including new and most popular products from the world's top manufacturers including: L-com, Cliff Electronic Components, Molex / Partner Stock, Molex & Tuk More Pricing.

Integrated Fiber Optic Adapter

Small Multimedia Interface (SMI) Optical Interconnects

Designed to provide a end-to-end solution, Molex offers the complete solution with the optoelectronic transmitter and receiver module integrated with transceiver, adapter, cable assemblies and
