

Iran Fiber Optic Cable Splicing Prices

Overview

Per-splice pricing often ranges from \$200 to \$600, depending on the equipment and skill required. For most commercial projects, expect to pay \$50-\$150 per fusion splice point - but that number can swing in either direction based on the factors below. MSP Installations specializes in fiber optic splicing and testing services and provides these services year round throughout IRAN. These devices and systems use light to transport data and provide better dependability and bandwidth than conventional copper connections.
