

# Is Ireland easy to work in

## Overview

---

Here's the thing: Ireland is one of the easier places to find casual work as a foreigner. Employers move fast, expect you to be legally sorted, and often hire the person who can start yesterday. Ireland, the Emerald Isle, has long been a popular destination for expats seeking a unique combination of culture, opportunity, and breathtaking natural beauty. Citizens of the EEA (the EU, plus Iceland, Norway and Lichtenstein), Switzerland and the UK, can live and work in Ireland without an employment permit. Europe's largest city park, the 1,750-acre Phoenix Park which opened in 1747, has everything from pre-historic burial chambers to pretty lakeside picnic spots (as well as the US ambassador's residence).
