

# **Italian Explosion-Proof Distribution Box Specifications**

## Overview

---

The enclosures are certified Ex d IIB+H2 and Ex tb as well as "explosion-proof". They are available in many sizes, a wide range of operating elements and monitoring functions can be integrated. Atexdelvalle offers world-class explosion-protected solutions guaranteeing highest quality and performance with no compromise. Manufacture custom made Local Control Stations & Distribution Boxes, local control panel boards and stations, explosion protected control units, distribution. Essential elements of any safety electrical plants intended for classified areas with explosion hazard, the COELBO's enclosures series S, SO and EMH90 cover the whole application range to implement control networks, derivation of power lines, interconnections and to accommodate instrumentation. Pushbutton and control station suitable for hazardous area Zone 1 & Zone 21 Lighting fixtures for LED lamps suitable for hazardous area Zone 1 & Zone 21 We are here for all of your needs! This website uses technical necessary cookies for its operation, analytical and third-party profiling cookies. Flameproof and explosion proof, these power overhaul distribution boxes are suitable for use in hazardous areas.

## Italian Explosion-Proof Distribution Box Specifications

---

### JUNCTION BOXES Ex

Designed to meet the requirements for ON and OFF-SHORE use, in petrochemical and marine applications and for any other industry where an explosive
