

Joint venture brand high voltage busbar

Overview

Linz, 11 December 2025 – HPW Metallwerk GmbH (HPW), a manufacturer of high-performance copper wires for industrial applications, has established a joint venture with BRAND KG (brandgroup) for the joint production of innovative busbars. The joint venture, operating under the name High Performance Busbars, offers the. By uniting efforts, the companies aim to strengthen their market presence, notably in China and Mexico.
