

# **Jsal What kind of distribution box**

## Overview

---

The product range of enclosures and distribution boards includes service entrance boxes and pillars, small distribution pillars and standard cable distribution cabinets as well as low-voltage distribution boards. The distribution box (DB box) helps safely and efficiently distribute electrical power. We offer bespoke, custom-made terminal boxes and terminal box combinations, as well as standard products with short delivery times. We also highlight how reliable manufacturers like NUOMAK support stable, compliant, and cost-effective power distribution.
