

Latvian Emergency Distribution Box Manufacturer

Overview

At the moment, Gammplast is the only manufacturer of such packaging in the Baltic market. INTRA-EL - your reliable partner in the manufacturing, design and installation of power and control distribution systems INTRA-EL has been engaged in the production, design and installation of power and control distribution systems since 2004, constantly updating its knowledge and technologies. Safran Vectronix is a global leader in state-of-the-art optronic equipment, systems and sensors for military and civil applications. Since our establishment in 1985, the R&B Switchgear Group has expanded across 3 international regions, developing an impressive portfolio of electrical and mechanical services, whilst working alongside some of the world's largest blue-chip companies. Könnner & Söhnen® Distribution Boards provide reliable connection for up to 7 groups of devices with a maximum current of 32A. High-quality components guarantee a long service life and protection against overloads and short circuits.
