

Latvian Outdoor Distribution Box Dimensions

Overview

The Digitus Fiber Optic Outdoor Distribution Box DN-968915 is designed for outdoor use with 8 SC SX connectors. It features a durable grey housing, measuring 160 mm in width, 300 mm in depth, and 43 mm in height. With incoming and outgoing connections from-to grid, as well as outgoings to end customers - depending on model. The fiber distribution box, a crucial component in optical fiber networks, serves a dual purpose of managing and protecting optical fibers while facilitating their efficient distribution.
