

Micro Module Hardware Suppliers

Micro Module Hardware Suppliers

Microcontrollers , Analog Devices

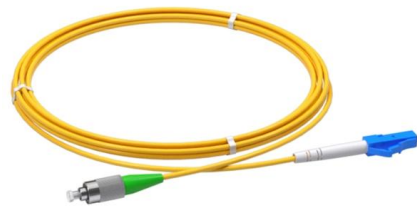

Analog Devices' microcontroller units (MCUs) can be used in a multitude of IoT processing applications. They allow analog and digital sensing for interpreting

[Contact Us](#)

Alpha Micro Components

Alpha Micro Components delivers expert IoT solutions with integrated hardware and software design, supplying leading brands for GNSS, LTE, Wi-Fi, LoRa and NB

[Contact Us](#)

Micron-Electronic

Micron Technology Micron-Electronic is a technology company specializing in programmable logic devices and associated technologies. - Micron is one of the world's leading providers of advanced

[Contact Us](#)

Microdul AG

Microdul manufactures the world's smallest electronic modules. The PCBAs (Printed Circuit Board Assemblies) are developed in close collaboration with clients and

[Contact Us](#)

List of computer hardware manufacturers

See also List of computer system manufacturers
List of laptop brands and manufacturers
List of flash memory controller manufacturers
List of printer companies
List of solid-state drive manufacturers

[Contact Us](#)

Tailor-Made chips and modules manufacturer , EM

Solutions An on-demand fusion of technologies for tailor-made solutions EM Microelectronic is a semiconductor manufacturer specialized in the design and

[Contact Us](#)

Global Sales and Distribution , Microchip Technology

Contact our Client Success Team to get assistance with your embedded projects. Support at Every Step. We are committed to partnering with you and making sure you have what you need to succeed.

[Contact Us](#)

Mellotron Micro Module is available now: the most

Mellotron Micro Module, teased at NAMM 2025, is available and is priced at \$499/499EUR, the cheapest Mellotron hardware so far.

[Contact Us](#)

PCB Assembly Manufacturing Platform , MacroFab

Intelligent Electronics Manufacturing. Go from design to ordering PCB assemblies in minutes. Fix problems, get design feedback, and scale instantly with the power of

[Contact Us](#)

Micro Electronics

Our consultants will find for you the best manufacturers, distributors or service providers for Micro Electronics and will forward your mail request to these companies immediately.

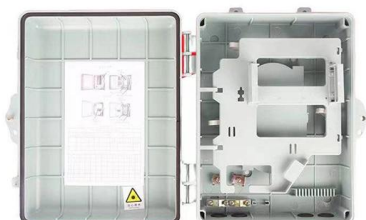

[Contact Us](#)

Hardware development

Custom embedded hardware solutions for various applications. From baseboard and module development to housing design, emtrion offers tailored, high-quality solutions.

[Contact Us](#)

Semiconductors

Check out our selection guide for a complete list of sensing, regulating and driving products.

[Contact Us](#)

Microchip Technology , Largest Inventory of Microchip Products

See real-time inventory availability and costs for the world's largest supply of Microchip products. Learn how our Client Success Team can help with your embedded design.

[Contact Us](#)

SparkFun Electronics

SparkFun Electronics is an online retail store that sells the bits and pieces to make your electronics projects possible.

[Contact Us](#)

MiSTer FPGA Kits and more

The best place to buy MiSTer FPGA kits, bundles, and accessories. Founded in 2019 with more than 20,000 customers served! USA based, worldwide shipping.

[Contact Us](#)

Your Trusted Source for Electronic Components , Micro-Processor

Explore a wide range of products, including Microcontrollers, Memory, Logic, Linear, Interface, PMIC, Embedded CPLDs, DSPs, FPGAs, Microprocessors, as well as Sensors, Transducers, Switches,

[Contact Us](#)

Platinum Micro Inc., an online store providing Computer

Wholesale Computer Hardware Parts & Software Suppliers, Manufacturers, Companies WHO WE SERVE For two decades, Platinum Micro, based in

[Contact Us](#)

MicroModule HDK , Interlink Electronics

The MicroModule HDK includes a demo unit, one MicroModule, one MicroModule keypad, two cables & product documents - ideal for rugged computers.

[Contact Us](#)

Processors and Microcontrollers , NXP Semiconductors

Our company is a prominent supplier of embedded controllers with a strong legacy in both the industrial and consumer market. We have a broad portfolio of MCUs across our 8-, 16- and 32-bit

[Contact Us](#)

Micron Technology , Global Leaders in Semiconductors

Explore Micron Technology, leading in semiconductors with a broad range of performance-enhancing memory and storage solutions

[Contact Us](#)

Electronic Components Distributor

Electronic components distributor with a huge selection in stock and ready to ship with no minimum orders. New electronic parts added daily.

[Contact Us](#)

Application-Ready SoM for NXP® Processors , MicroSys

MicroSys System-on-Modules are application-ready platforms built on NXP® processor technology, enabling scalable and high-performance embedded solutions.

[Contact Us](#)

FPGA Systems

Partner with ISI for expert FPGA system design and manufacturing. We offer solutions from high-end PCIe cards to miniaturized micro-modules.
