400G everywhere is here.

New developments in IP and optics are re-igniting discussion about IP-optical integration. Standardization of the 400GE protocol is leading the industry

[Contact Us](#)

IP + Optical: The Mainstream Solution for the 400G Era

Today's router interfaces are now faster, accelerating from 100GE to 400GE. With the mature commercial use of 400G ZR+ optical modules, IP colored optical boards and gray optical
