

Palestinian Fiber Optic Cable Cabling

Overview

Prime Minister Muhammad Shtayyeh announced that the Palestinian Investment Fund had been assigned to prepare for the establishment of a fiber optic company, "photovoltaic cells," and to develop the infrastructure with the latest technology, since some parts of the current. The Israeli war on Gaza has caused massive damage to infrastructure across the Palestinian territory, including water mains, power lines and roads. (AFP) RAMALLAH, Palestinian Territories: The Palestinian Authority said Internet and fixed-line communication services were down in Gaza on Thursday. Urgent communication crisis: Communication disruptions have severely limited the ability of populations in Gaza to share and receive information.
