

# **Panama Active Optical Cable 1G**

## Overview

---

They are small form factor direct-attached copper cables for 1G Ethernet and Fibre channel. All cables are 100% factory-tested for optimal performance, compatibility, ultra-reliability, and. The following Active Optical Cable (AOC) products are offered by HPE Servers and Systems and ordered using the specified part number (these cables may not be available to order for Aruba-only partners). Refer to the HPE Compute transceiver and cable hardware matrix product availability matrix at. As a professional optical module supplier, we provide a full range of optical transceiver modules from 1G to 400G, support customized development, and are 100% compatible with mainstream equipment manufacturers, providing reliable optical interconnect solutions for data centers, telecommunications. Quality and Support: Deploy mission-critical network infrastructure with confidence.
