

# Placement of home electrical distribution box

## Overview

---

**Bottom Line Up Front:** Your home's distribution box (electrical panel) is typically located in the basement, garage, utility room, or mounted outside near your electrical meter. Whether you are an electrical contractor or a construction brigade, knowing how to properly and safely install distribution boxes is the basis of ensuring the safe operation of the entire system. Whether it is residential buildings, commercial facilities or industrial sites, the.
