Poeac all-in-one gigabit router power supply

Poeac all-in-one gigabit router power supply

24-Port Gigabit Rack Mount PoE Injector with 56V240W Power Supply

Do all the ports need to be at the same voltage? We have devices that operate at 24, 48 and 56 volts. Could we use one unit to power them all at once? The injector requires the same voltage on all ports.

Contact Us

NETGEAR 16-Port or 24-Port Gigabit Ethernet Unmanaged High-power

Model GS524PP provides PoE+ (802.3at) power on all 24 Gigabit Ethernet ports, with up to 30W to each port. The total PoE power budget for the switch is 300W across all active PoE ports.

CISCO PWR-2901-POE Ac Power Supply Ethernet

The PWR-2901-POE is a 29 watt, 802.3af-compliant Power over Ethernet (PoE) power supply, ensuring reliable and uninterrupted power to PoE-enabled devices such as IP cameras, VoIP phones, and
