Power OPGW Optical Cable Spare Cable Rack

Power OPGW Optical Cable Spare Cable Rack

Opgw Adss Cable Storage Bracket Rack

The optical cable storage rack is mainly used to place the surplus optical cables for the connection of ADSS OPGW cable overhead, and sometimes used together with the optical fiber cable joint box or

Cable Storage Rack Assembly for ADSS& OPGW

The cable storage tray is easy to install on the tower and pole, can prevent the cable loose and disorder, to protect the optical cable well, and avoid the wear of the optical cable

[Contact Us](#)

Optical ground wire

An optical ground wire (also known as an OPGW or, in the IEEE standard, an optical fiber composite overhead ground wire) is a type of cable that is used in overhead power lines.
