

Price of Wall Panel Installation of Distribution Box

Component Diagram

Key dimensions

Overview

New panel box pricing typically ranges from about \$150 to \$1,900 for parts and labor, with most residential projects landing between \$450 and \$1,500 depending on amp rating, gauge of wiring, and labor complexity. The cost of a new panel box depends on the box size, meter/branch requirements, enclosure type, and labor for installation. This article breaks down typical price ranges and driving factors to help homeowners and contractors budget effectively. In May 2026 the estimated national average cost to Install an Electrical Service Panel starts at \$1,305 - \$1,581 per panel. Use our Cost Calculator for cost estimate examples customized to the location, size and options of your project.
