

Price of making cable tray hangers

Overview

TL;DR: Basic wireway systems cost \$8-15 per linear foot, while heavy-duty cable tray installations range from \$12-25 per foot including materials and basic installation. Cable trays are vital in electrical installations, providing secure pathways for power, communication, and control cables across residential, commercial, and industrial settings. The wire mesh (or basket) trays are made of fine steel wire welded to form a tray. They can be used wherever there are numerous small internet cables in the data centers or the offices.
