

Recommended French Dust-Free Spectrometer

Recommended French Dust-Free Spectrometer

Analytical Strategies to Determine Artificial Sweeteners by Liquid

This system combine very low maintenance costs (relative to other HRMS machines such as FT-ICRs which require cryogenic gases) with the high resolving power and virtually background-free detection

E1728/E1728M Standard Practice for Collection of Settled Dust

5.3 This practice is recommended for the collection of settled dust samples from hard, relatively smooth, nonporous surfaces. This practice is less effective for collecting settled dust

Recommendations on the measurement techniques of atmospheric

Abstract Measurement of atmospheric air pollutants (aerosols, NO₂, O₃, CO, HCHO, and SO₂) is essential for characterizing the environmental and biogeochemical process to monitor the air quality.

Field Portable X-Ray Fluorescence (pXRF) Spectrometry for Chemical Dust

In this study, we evaluate the use of field portable X-ray fluorescence (pXRF) as a screening tool for dust source characterisation at two sites in Greenland, a natural site near Kangerlussuaq influenced by

[Contact Us](#)

SPECTRO GENESIS

The SPECTRO GENESIS offers a real economic alternative to sequential ICP and Atomic Absorption spectrometers, enabling those who are unfamiliar with ICP to profit from the advantages of leading

[Contact Us](#)

Improving gamma spectrometry for radionuclide analysis of

The design of an optimised sample holder for gamma spectrometry must ensure that the sample geometry minimises gamma-ray self-attenuation and that the construction material neither

[Contact Us](#)

The French accelerator mass spectrometry facility ASTER: Improved

The machine is fully dedicated to accelerator mass spectrometry (AMS) applied to research in the environmental and Earth sciences and, thus, named ASTER (Accélérateur pour les

[Contact Us](#)

Fidas® Frog the fine dust aerosol spectrometer

The fine dust aerosol spectrometer Fidas Frog from Palas measures fine dust pollution indoors. The Fidas® Frog enables a fast, reliable and quality-assured
