

# Sc adapter material

## Overview

---

It is made of polymer material and comprises of either precision zirconia ceramic (single mode) or the phosphor bronze (multimode) alignment sleeve. The housing is available in different colors with options for flange or flangeless body, metal clips or. LSH/E-2000 is a high performance connector which meets the highest standards by excellence in design and manufacturing processes. WCFO designs and manufactures a full family of SC products including a full line of SC adapters.

## Sc adapter material

---

### SC Adaptor

SC Adaptor A fiber optic adapter, also known as a fiber optic coupler, is a device used to connect two fiber optic connectors together, enabling the transmission of
