

# **Slovakian Low-Voltage Switchgear Complete Equipment Factory**

## Overview

---

We provide design and engineering proposals for our clients, complete high- and low-voltage installations as well as reconstructions in the field of industry, transport, healthcare and civic amenities. The manufacturing plant is located in Piešťany, a country seat only 30 kilometers from Trnava and 85 km from Bratislava and Austrian borders, and three kilometres from a major freeway intersection. SWITCHBOARDS HVAC ELECTRICAL SUBASSEMBLIES CONTACTS HOME ABOUT US THE COMPANY OUR PARTNERS REFERENCES QUALITY ENGINEERING CONTRACT MANUFACTURING SWITCHBOARDS HVAC ELECTRICAL SUBASSEMBLIES CONTACTS © 2026 Kelex s. We produce low-voltage switchboards and transformer stations, which we also rent.

## Slovakian Low-Voltage Switchgear Complete Equipment Factory

---

### POWER PRODUCT Switchgear

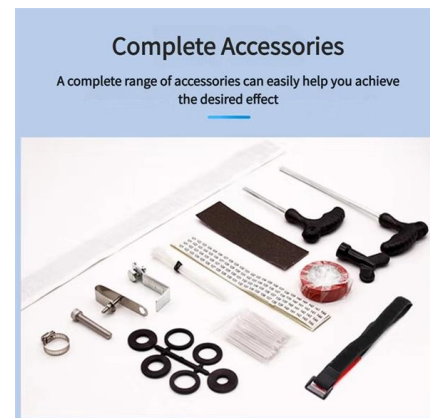

Type WL Low-voltage Metal-Enclosed Switchgear  
Siemens Type WL low-voltage metal-enclosed switchgear is designed, constructed and tested to provide superior power distribution, power

[Contact Us](#)

### Electrical and Mechanical Installation , Leadec

Electrical and Mechanical Installation We provide comprehensive assistance with all aspects of electrical and mechanical installations, from initial planning and

[Contact Us](#)

### Switchboard production

An important part of our program is the production of low-voltage (LV) switchgears, including serial production. We ensure the qualification of switchgear according to customer requirements

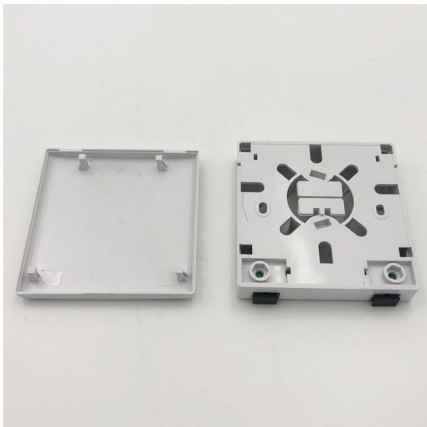

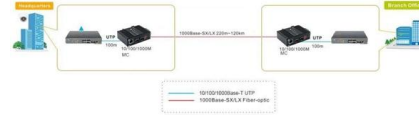

[Contact Us](#)

### Homepage [rozdzielnice ]

Electrical Power Equipment Factory (ZPUE)  
Elektromontaz Poznan S.A. provides modern LV and MV switchgear systems, pad mounted transformers of proprietary

[Contact Us](#)

### Switchgear Panel Manufacturers & Factory in Slovakia

When sourcing medium voltage equipment, the capability of the manufacturing facility is just as important as the product design. As a dedicated Switchgear Panel Manufacturer, our factory

[Contact Us](#)

### Electrical Equipment Production

Manufacturing of low voltage switchboards for a broad range of uses. Both standardised and customised to a specific project. They are manufactured with the use of components from world renowned

[Contact Us](#)

### Low Voltage Switchgear Production , Infocom s.r.o.

Infocom s.r.o. manufactures reliable low voltage switchgears for industrial automation, power systems, and infrastructure projects across Slovakia and the EU.

[Contact Us](#)

## What Is Electrical Switchgear? Types & How It Works

However, AIS does has some drawbacks, such as low dielectric strength, which makes it a relatively poor insulator, requiring larger equipment,

[Contact Us](#)

### Low-voltage switchgear fundamentals

Low-voltage switchgear fundamentals What is switchgear? Electrical switchgear refers to a centralized collection of circuit breakers, fuses and switches (circuit

[Contact Us](#)

### Low voltage switchgear , Products , ABB

As the world's largest low voltage switchgear OEM with domain expertise and local support, ABB electrification solutions is truly your local partner.

[Contact Us](#)

### Switchgear Manufacturer, Medium, Low& High Voltage

DOHO Electric provides high, medium, and low-voltage switchgear, components, transformers, and new energy solutions. Our products--such as

[Contact Us](#)

## Switchgear Type SIMOSEC, up to 24 kV, Air-Insulated, Extendable

SIMOSEC switchgear is a factory-assembled, type-tested, metal-enclosed switchgear for indoor installation. SIMOSEC switchgear is classified according to IEC 62271-200.

## LV/MV Switchgear : Ultimate Guide

Low voltage switchgear refers to electrical switchgear that is rated to 1kv. Thus, the term LV switchgear collectively refers to H.R.C. fuses, low voltage circuit

[Contact Us](#)

## One of Slovakia's Leading Manufacturing Companies

As one of Slovakia's fast-growing manufacturing companies, SVI Slovakia provides comprehensive solutions and readily available capacity to the EU market.

[Contact Us](#)

### Product Catalog

## Assembly

ProCS, s.r.o. produces electrical cabinets and switchgears for both Slovak and international clients. The main types of produced cabinet types are: Local control boxes and junction boxes. Your contact: Mr.

[Contact Us](#)

## ELECTRICAL SWITCHBOARDS , Kelex s.r.o.

Since 2004, we produce a wide range of low voltage switchgear according to customer requirements. Our long-time experience is your advantage. Whether modular, mass-produced or individual control

[Contact Us](#)

Equipped with a removable **Mounting Plate** inside the enclosure, enabling customized drilling and secure component mounting.

### Home

Our goal is to provide top-quality, cost-effective, and comprehensive services in the field of custom manufacturing of electrical equipment - switchboards. We
