

South Korean manufacturer of recessed fiber optic connectors

Overview

SENKO Advanced Components provides precise, user-friendly, and application-focused fiber optic connectors, enabling network operators to achieve the performance and reliability needed to meet the world's unquenchable demand for data. X-BEAM TECH, established in 2013, specializes in rugged fiber optic products and solutions. We design and manufacture expanded beam connectors, expanded beam cable assemblies, and custom fiber optic products for harsh environments including military, avionics, marine, mining, oil & gas. KOC's FAOC is 2~3 pieces of the preassembled connector which can be installed within 2 minutes and recycled several times. South Korea is globally recognized for its technological advancements and high-quality manufacturing, particularly in the telecommunications sector.
