

Sudan Fiber Optic Cold Splice 12 Cores

Overview

The Closure provides reliable sealing performance, and fiber splicing point protected in a. 12 Core Fiber Splice Tray is also called as splice enclosure or splice organizer. who are we?

We are based in Zhejiang, China, start from 2020, sell to South America (30. TYPE-81M12 Mass fusion splicer up to 12c fibers The TYPE-81M series mass fusion splicer with compact and portable design, and makes a highly accurate and reliable fiber fusion splicer. The solid box shell and the main structure are built to withstand harsh environments. The dome closure also protects fiber optic cables from vibration, impact, stretching, twisting.

Sudan Fiber Optic Cold Splice 12 Cores

12 core fiber optic splice joint closure

Order the 12 core fiber optic splice joint closure online, available in large volumes starting from roughly \$4.2 per unit. Suitable for wholesale and bulk purchases with a minimum order of 1
